Breathed by the Holy Spirit to Apostle Adam White

Father, I thank you for the person who is reading or hearing this. By the Power of the Holy Spirit and through the Blood of Jesus Christ I am asking that you touch them where they are right now. Every suicide demon that is surrounding them. Every spirit of Murder that is surrounding them, we break those spirits, and we rebuke them in the name of Jesus

Demon of suicide, Jesus Rebuke you. Demon of murder, Jesus rebuke you. You have both been defeated by the blood of the lamb and by the power of the Holy Spirit.

Jesus extend your hand of grace to this person reading or hearing this in this moment. Only you can redeem us. Only you can forgive us. Only you can deliver our feet from the snare of sin, depression, and death.

Touch their mind in Jesus name. The plans that Lucifer intends for their life, cancel them through your precious blood and by the power of the Holy Spirit.

Father you have spoken in your word that you have sent Jesus your son because you loved us so much and you don't desire for any of us to perish but that we would come to your love and saving grace.

Father, the person reading or hearing this needs grace today. Jesus, they need mercy. They may be far away from your throne, but I am not. I pray as a covering for them right now in the name of Jesus.

I come to your Throne. I bring the person reading or hearing this to your Throne and into the Holy of Holies. Father grant us mercy. Show us your grace. Turn your face away from their sin. Let this prayer of forgiveness reach your nostrils, let this lamentation reach your ears in the mighty name of Jesus and do something supernatural for the person reading or hearing this prayer.

Father, I ask by the name of Jesus that this be a turning point in their life. That you will not only deliver them, but that you will raise them up in these last days and make them to preach your word. Let their very life be a living testimony of your compassion and grace. Replace sin with sacrifice of their lives to you. Let them serve you and be a reflection of what your grace can do.

Bring their life back from the hands of the enemy, from the gateway of hell and from the edge of no return. Holy Spirit speak to them so gently, talk to them as only you can, and let your voice be so pronounced and so defined in their ears, that they will know it's you. Let them get down on their knees and pour their heart out to you and save them Jesus. Reclaim their life. Heal them. Restore them. Forgive them.

I thank you for doing things in the realm of the spirit that exceeds our comprehension. Thank you for touching the person reading or hearing this and showing them your incredible love. We thank you Father and I intercede for them today. Even so Lord Jesus, let it be so, In Jesus name and by the power of the Holy Spirit, we give you the highest thanks. Amen.

Now the person reading or hearing this pray the following prayer:

"Father, I thank you for stepping into my life in this moment and space. I feel discouraged. I feel like giving up. I want to quit. I want to end my life. I am out of options. I don't know what else to do. The pain hurts so badly. I have given up on my purpose and myself. I am praying this prayer in desperation. I feel isolated and unloved. I feel I don't fit in. Heal my life. Forgive me for thinking this way. I know you love me, and you still have a plan for me. Change my heart. Show me my worth and value again. I give my life back to you. I surrender my decision to you. I thank you for healing me, in Jesus Name, Amen."
