

A PRAYER FOR SURGERY

Breathed by the Holy Spirit to Apostle Adam White

Gracious and kind Father, I thank you for the person reading or hearing this prayer. Father, before I can utter one word, you are all knowing. Your sovereignty is greater than our human understanding. So I thank you for understanding the intents of our hearts, the silence of our thoughts. Father, I thank you because you have already responded to the prayers that have yet been unspoken.

I thank you Holy Spirit that you can see on the other side of their surgery. You have already set and predetermined the outcome. So rather than a foolish prayer for surgery, or a prayer of question, I submit to you Holy Spirit a prayer of gratitude and Thanksgiving. I thank you that their surgery is already successful. That all is well with them and the outcome is already set.

You are not coming to their place of surgery; you are already there to welcome them. So dearest Jesus I ask that you meet them in surgery, and let your glorious anointing rest upon them, rest upon the surgeon's hands and let your grace rest in the very room where surgery will take place.

Father as they come out of surgery, I want you to open their eyes and their understanding to see and know that just as you were with the 3 Hebrews in the fiery furnace, so were you with them. As you were with Joshua after Moses died, so be with them.

Let this surgery serve as a catalyst to a greater intimacy between the person reading or hearing this and the Holy Spirit. Let this be the window of entrance into a new dimension of your love and grace for them. Don't let them go back to life as normal. But let their prayer life increase. Let their anointing and purpose increase and let them serve you in the Kingdom of God bringing other souls to your saving grace. This is why I am asking Holy Father. I thank you for hearing and answering my prayer through the name of Jesus the Christ and by the Power of the Holy Spirit, it is done, and it is so. Amen.

If you were healed by the Power of the Holy Spirit in the name of Jesus from reading this prayer, if you had a successful surgery, send us a testimony and tell us how the Lord has healed your body. We look forward to hearing from you!
